

GRAY CHRS 2PK

Item #: CR-D8719-03-2

The Gray Chair comes with a fully assembled welded one piece metal frame.

1) To attach the Gray chair seat simply set the seat cushion onto the metal frame with the tapered side snugly toward the back.

2) Flip the complete chair and seat upside down resting the cushion on a table top.

3) Attach the cushion to the steel frame by screwing the 4 supplied 1-1/2" screws through the pre drilled holes in the metal tubular frame and into the bottom of the seat cushion which has a wooden plate. (this is done best with a drill and phillips screwdriver bit)

4) Press in the supplied 4 plastic foot protecters into the bottom of the metal legs. There is a large size for the back legs and a smaller size for the front.
